DATE: July 28th, 2025

AGENDA ITEMS

1. UPDATE ON [2025 GOALS](#)

a. **Business & Professional Development:**

Lunch and Learn happened on July 17th at noon. We had Jeff and Mark from Alltech come and educated us on Cyber Security and how it can help our businesses. We also had Chris Larson talk to us about the Festival of Lights dinner and to promote the dinner, Jeannine Groll talked to us to promote the Bi-Atholon and how it helps give kids swim lessons. We will not be having Lunch and Learn in August. We are working on getting ready for the Business Summit happening in September.

b. **Service Groups Outreach:**

Bill Salarno has taken over the Lions Club and has reached out for help in the hamburger booth during the rodeo weekend. If you would like to volunteer, please get in touch with Bill to help one of the days. This fundraiser helps our community a great deal.

c. **Public Policy:**

We are still working with the Franklin County Commissioners in getting their meetings live streamed. We are looking for transparency to better help our community be better informed.

d. **Member Relations:**

We have welcomed two new members this month. Franklin County Extension Office and Boulder Mountain. We also talked about ways to help get in contact with new businesses, and get them involved into the Chamber. We will be doing a ribbon cutting at the Kiwanis New Building over at the rodeo grounds on Saturday August 2nd at noon.

Stevie Emerson, *Pres/Marketing*
Marcia Kunz, *VP/Public Policy*
Amy Burbank, *Secretary*
Cindy Checketts, *Treasurer*

Julie Stuart, *Business & Professional Dev*
Amber Almond, *Service Groups Outreach*
